# WHAT'S NEW

## *Monthly Meets*

*Our online women's group is meeting in-person every month!*

Community is important to us. That's why we've arranged monthly meets for our online women's group!

We love our weekly online meetings where we study the Word and Bible topics together, and there is something *so* special about fellowshipping together over a meal or nibbles *in-person*.

If you're looking for a community to grow in God with, join our women's group. See you there!

# There's Room At The Table For You...

## 3 **reasons** to join our women's group...

1 Join women who are learning to grow in the fear of the Lord, follow Yehoshua (Jesus), and grow in the Word with the Holy Spirit.

2 We meet **weekly** online (you can join from any country). This is great if you have a busy schedule, but have a desire to prioritise God.

3 We have a **private Whatsapp group** so we can check in on each other, encourage, and pray for one another.

As a community, God is our priority and King above all. We'll have your back in prayer, but most importantly, we will point you to the only One who deserves your full attention through both joys and trials. Our group is a place to draw us into deeper communion with God (not replace it in any way). If this is what you're looking for, we'd love to meet you!

God is in the marketplace, and we absolutely love it!

We want to inspire people with the stories of the how the God of the Bible is moving in the marketplace through your business, no matter how big or small your business is.

If this is for you, we'd love to speak with you. Our process will involve us talking first to see if we'd be a good fit. If all goes well, we'd love to feature you in an article to give God the glory.

# GOOD READS

In the beginning, the Word already existed. The Word was with God, and the Word was God.
– John 1.1

**The Bible is not only a book; it is our Compass. It is alive. Yeshua (Jesus) is the living Word – the Word fulfilled. Reading your bible is akin to spending time with Him.**

**We encourage you to read the Word from Genesis. This time, read it with Holy Spirit. Ask Him to teach you before you read the first word. You'll never read the bibe the same way. Let us know how you go!**

# YOU WILL FINISH WELL

**But those who wait for the Lord will receive new strength. They will lift up their wings and soar like eagles. They will run and not become weary. They will walk and not become tired.**

**Isaiah *40.31 // EHV***

We're drawing to the end of the year, and the end of an era of testing or trials for some. The end of a year reminds us that seasons do indeed come to an end, though our pain seems never-ending. The race seems a little too long, the pain too much, and the burden too heavy. The temptation to give up is as juicy as a piece of steak placed in front of someone that hasn't eaten for days!

As followers of Yeshua, we can count on this - we don't have to do this alone. In fact, we ought not to! We have the Holy Spirit to help us, Yeshua as an example to emulate, and God to guide us. Wherever you are in your season, don't give up. You could be on the cusp of your victory (spoilers: you win because He has already won; He gets the glory). When you don't know what to do, wait.

As you wait, God promises to renew you. You will finish well this time, if you hold on to Him. Learn the lesson this time (*with* Him, this time, not in your own strength). Hold on to God, because more than any breakthrough or blessing, ***He*** is the prize. He is *our **only*** prize.

You can't win with your own strength this time around. This time, you need to let go completely. Wait on Him. Allow Him to renew you, and until He does, hold on to Exodus 14.14. Keep going. You will finish well.
